Committee nears its goal

Over $2,000, more than two-thirds of its projected goal, has been raised in the last two months to pay for repairs to the City Hall clock, according to announcement made today by the Committee to Restore Carbondale City Hall.

$2,020 of the $3,000 goal sought by the Committee was received by Monday afternoon of this week, David Baum, one of the founding members of the committee, said in a prepared release to the *Mirror*.

"The people of Carbondale, together with those who have left the area but still keep in touch with the city, have supported our efforts right from the beginning," Baum noted.

First phase

The first phase of the committee's project is the repair of the City Hall clock. A Harrisburg firm, Roger's Clock Service, has quoted the committee a price of $3,000 to repair the workings and will guarantee the repairs for one year. The committee has until Feb. 16 to contact the firm and authorize repairs at the quoted fee.

At least one donation a day has been received by the committee since the fund was started Nov. 6, 1981, with a $100 donation from S. Robert Powell of R.D. Carbondale and New York. Powell is a local historian with great interest in the area.

During ceremonies Dec. 17 at City Hall, the lighting system in the clock tower was turned on, to mark the official beginning of the fund drive to repair not only the large timepiece, but to restore City Hall as well.

The Hendrick Manufacturing Company siren, together with bells from Trinity Episcopal, Our Lady of Mount Carmel, St. Rose of Lima, First Presbyterian, and Berean Baptist churches rang out to signify the event.

Fifty-two people attended the Restoration Committee meeting held afterwards. Speakers included committee members Powell, Tom Brennan, Baum, Robert Tomaine and John Bubernick. They explained the purpose of the committee and plans for fund-raising.

These will include a fifty-fifty drawing-,(for which donations will be accepted this week) to be held Feb. 18 in council chambers in City Hall.

Donors

Among the businesses and individuals contributing to the fund are: Hendrick Manufacturing Co., Joseph J. Brennan Funeral Home, Gerald J.
